

WILDERNESS ACADEMY

OPEN DAY

**Let's get young people
away from screens and
back into nature.**

Join us for our Wilderness Academy Open Day

On the 14th February & 11th March 2022

Join us at our Barnswood site near Rudyard Lake to hear about our brand new outdoor learning offer that includes a range of natural environmental learning themed activities, such as fire lighting and shelter building, blended with a range of traditional outdoor and adventurous activities, such as rock climbing and water sports.

At the open day you can:

- Learn more about Wilderness Academy
- Understand the benefits of outdoor learning under canvas
- Explore the outdoor learning environment and facilities
- Meet our outdoor education team
- Have a hot drink and cake around the fire

We understand that booking an outdoor learning experience is a big decision so come along, meet us, and see if it's the right option for your school and pupils. We truly believe Wilderness Academy is a great offer and we'd love the opportunity to tell you why.

We have two open days to ensure you don't miss out...
