## Narrow the Reading Gap with Reading Progress and Reading Coach Through Microsoft Teams

Reading Progress in Microsoft Teams builds pupils fluency through independent reading practice. Teachers can assign text for students to read at their own pace to empower and encourage pupils to read. Reading Progress enables students to read texts out loud while being recorded with new features that includes the ability to measure a student's accuracy, speed and prosody. Students will then be told which words they struggled with, omitted or any additional words. Reading Coach specifically targets challenging words for the learning in a personalised review after completing the Reading Progress assignment. Inside Reading Coach, learners practice challenging words with support such as:

- Listening to the correct pronunciation of a word
- Stretching the word to view syllables
- Viewing a picture of the word's meaning

## The Supply Register FREE Demonstrations

Join a free demo to find out more about The Supply Register, see the technology in action and learn how it can benefit your school. The Supply Register believe schools can fill their supply roles more cost-effectively and with less hassle — and that they can do it with technology. That's why they created a state-of-the-art platform to bring together schools, education professionals and agencies. The streamlined education recruitment process keeps everyone connected. This saves schools time and money and allows them to invest more budget where it really matters — improving the quality of children's education. The unique, custom-built platform gives schools complete control of supply recruitment and management. All candidates are strictly vetted and paid at the best market rates, so when you work with The Supply Register you know you'll have access to the best quality teaching and support staff to build your staff bank. What's more, there's no up-front cost or ongoing management or license fee to be paid and their dedicated regional Partnership Management Team is here to support you every step of the way.

This approach reduces your costs by up to 20% by building localised 'talent banks' of staff that are remunerated in line with recognised pay scales, and eliminating finder's fees and standardising charge rates from supplying agencies.

# Educational Visits

## Education Visits Coordinators Revalidation Course

The course is provided by the Outdoor Education Advisory Panel and delivered on their behalf by the Entrust Educational Visits Advisors. The revalidation and refresher will give the EVC up to date guidance and good practice to enable their establishment to continue to deliver Learning Outside the Classroom experiences including curriculum-based visits, adventurous activities, residential and overseas visits. The participant must have completed a full OEAP Educational Visits Coordinator Training course within the last 4 years (the trainer may require Evidence of this). This is **NOT** an Evolve Training session but may refer to the Evolve system throughout the session. It is webinar based although it will contain some activities and tasks for attendees to complete during the session.

## Local Area Visits on Evolve

Do you do a lot of local, low-risk visits such as walks to the park, visits to the local green, or to the church or venues close to you that you can walk or cycle to? The Local Area Visits module is an optional add-on that is specifically designed to record approved routine visits/local activities and:

- Provides an appropriately lighter touch suitable for Routine Visits
- Standardised operating procedures for all offsite activities
- Replaces paper "signing out" sheets
- Makes all visits & activities reportable and monitorable.
